SERVICE NAME	Shelter Care □ Adult ⊠ Juvenile
Category	Out-of-Home (OHP) placement / Non-treatment
Setting	Residential
Facility License	Residential Child Caring Agency License as approved by DHHS Public Health
Service Description	Shelter Care is a licensed non-treatment facility providing 24-hour supervision for youth in an age-appropriate,
Service Description	individualized and structured group setting. The shelter Care service is utilized as a temporary placement to achieve stabilization until a youth can transition to home, community-based or treatment placement. Shelter
	Care may be utilized as an alternative to detention. Youth in this service require consistent behavior
	management, supervision and support. Staff provide a safe and nurturing environment through building
	relationships, teaching strategies and interventions.
Service Expectations	 Develop a short term individualized plan with the youth, probation officer, family, and other stakeholders identified, to prepare the youth for transition home, community-based or treatment placement. The plan must address short term goals and criminogenic domains. Individualization of the plan will be determined based on service referral information and any relevant collateral documentation/assessments. The plan shall be probation and Court directed and shall outline the plan for supervised outings, home visits, etc. based upon individual youth risks and needs. Shelter service is expected to maintain staff ratio's to accommodate transportations and activities of the facility Participation in family team meetings to provide necessary information on the youth's behavior and progress in shelter. Based on the short term goals, youth shall be involved in structured programming to include an evidence based behavior management plan, community support planning, family engagement, teaching/educational interventions, and strategies that aid in individual skill development. Family engagement shall include regular phone contact and visitation with family members. Family engagement shall be flexible to meet the non-traditional hours needed by families. Phone contact and visits shall not be tied to behavior management levels and shall not be removed as a consequence.
